Event #	Event Time (HH:MM) AM/PM	
Headset # Stormtrooper Obs. Initials: CK	Start: 9:28 am	End: 9:40 am

Event Description:

Provide a summary of what's happening at the moment/what the individual is doing. Do not include any identifying information (names, etc). Remember the participant must be involved with the event. Do not detail the event if your headset was not present.

9:28 am - see patient 1

- itchiness all over

9:29 am - continued collecting patient history - physical exam

9:32 am - went to patient 2

- sore all over & aching

9:40 am - sat down for charting + contacting patients' caretakers

Additional Comments:

- physician noted patient's were not stressful in terms of presenting symptoms

but noted the clinical work necessary for each one was frustrating due to lack of support/instruction
